

# Like a FISH in Water

**Traveling  
exhibit**

**Family and  
general public**

**Interactive and  
entertaining**

**Educational  
program**

Surface: 150 to 300 m<sup>2</sup>  
Bilingual

The path is filled with striking photographs, games for the entire family, an immersive zone, educational videos, fun questions and common expressions.

*Like a Fish in Water* addresses recent scientific discoveries which show that fish have no reason to compete with their terrestrial vertebrates!

Your perception of our aquatic relations  
will be turned completely upside down...
